Dr. Subhra Mukherjee,
Director of Research (Acting)

DR/24-25/514 (A)

Date: 18.03.2025

Notice Inviting Expression of Interest

Expression of Interest (EOI) is invited from entrepreneur/startup/ businessman/ individual/ group to provide Testing Services through Public Private Partnership (PPP) mode using the infrastructural facilities developed under Export Testing Laboratory (ETL) funded by APEDA, Govt. of India during 2005-2010 under Bidhan Chandra Krishi Viswavidyalaya, Mohanpur, Nadia.

The infrastructural facilities of ETL (spread over an approx. area of 20,000 sq. ft. protected with boundary wall and gate) includes a two storied building (Covered area: approx. 5000 sq. ft.) housing a number of dry and wet laboratories, a cold room, one seminar room, office and stores, poly house, etc. with assured electric and water supply and power backup system (with generator and UPS). All the rooms are fully furnished and various Scientific instruments in functioning and non-functioning condition will be provided for use.

A Memorandum of Understanding (MoU) will be worked out between selected Party/Individual and the University for the said purpose.

EOI (as per the format given in Annexure-II) addressed to the Dr. Sankhajit Roy, PI of ETL, BCKV, Mohanpur-741252, Nadia, West Bengal (Cell: 7319312505, E-mail: roysankhabckv@gmail.com) to be submitted within 31st March, 2025. Interested parties will be allowed for physical verification of the infrastructural facilities available under ETL in BCKV, Mohanpur and a detail list of such items will be provided during the visit.
