COMMUNICATION

It has come to the notice of the Administration that a society viz., Society for Fertilizer and Environment is using the office address as Bidhan Chandra Krishi Viswavidyalaya, Mohanpur, Nadia, PIN-741252 as evident from the communication (copy attached) issued by Prof. Biswapati Mondal, Secretary, SFE wherein they are going to organize a National Webinar on 25th and 26th of February, 2022. It has also come to the notice that some Faculty members/scientists are also attached in the process.

It may emphatically be noted that no such organization exists with prior permission of the University Administration under the umbrella of Bidhan Chandra Krishi Viswavidyalaya. Last time also the Society did the same thing. This is a repeated condemnable activity on the part of the Secretary and the office bearers of the Society concerned. The University feels this an act of maligning the name and fame of the University and utilizing the credential of University for some personal benefits. As such, University condemns such activities. All concerned are advised to check the credential of such activities before being involved in the process.

After considering all these, Hon'ble Vice-Chancellor, upon discussions with the full administrative team of Viswavidyalaya, has been pleased to constitute the following Committee:

- i) The Dean, Faculty of Agriculture, Chairman (ii) Special Officer (Dev.) as Member Convenor (iii) The Dean, Faculty of Horticulture, Member and (iv) The Director of Farms as the Member. The Committee is to submit a report within 30 days from the date of issuance of this communication. The Committee will look into the whole episode and suggest measures or action to be taken against persons involved in such detrimental activities against the name and fame of the University.

It has also come to the notice of the University Administration that within two days, the said Organization has changed their address as evident from the 2nd announcement (Copy enclosed) in the said programme with lot of changes. As such, University Administration advised all the office bearers and the persons/scientists/academia to check the credential of the Society before being associated or taking part in the programme of the Society.
