

*A resounding congratulations to Sreeja Namasharma of Siliguri for achieving Rank 1 in the WBCS 2023 Common Merit List!*

*Sreeja's journey is a masterclass in discipline and the transformative power of resilience. A proud alumna of BCKV, holding both a B.Sc (Hons.) in Agriculture and an M.Sc in Agronomy, she has consistently balanced academic rigor with a deep sense of purpose.*

*Currently serving as an Assistant Section Officer at CSIR Kolkata, her "marathon year" of 2023-24 was nothing short of legendary. She cleared seven different state and central competitive exams—an incredible feat accomplished entirely through self-study, proving that dedication outweighs any coaching center.*

*By selecting Agriculture as her optional subject, Sreeja honored her roots while charting a new course into administration. Her outstanding performance has now earned her a recommendation for the West Bengal Police Service (WBPS).*

*Beyond the statistics, Sreeja's story is one of profound personal strength. In the face of the heart-breaking loss of her father, she chose to channel her grief into an unstoppable drive for excellence. She stands as living proof that when hard work meets an iron will, no mountain is too high to move.*

*This is a crowning moment of pride for the entire BCKV family and a beacon of hope for every woman breaking barriers in the pursuit of public service.*
