NOTIFICATION

It has come to the notice of the Administration that there are rumours in certain Social Media that University is not co-operating with the students by extending their facilities like Canteen Subsidy, Tour Allowances, Scholarship, RAWE Stipend etc. Students are hereby advised not to pay attention to those false information. This Administration is always trying to extend all supports including the financial dues/support to the students under this pandemic situation. The University needs to have accurate Bank details of the respective students for the purpose.

Unfortunately, in spite of several attempts, all those students' facilities could not be extended because of erroneous Bank details of the respective students. As such all students are hereby advised to send their accurate Bank details with name of the Bank, **name of the students/Account holder, account number, name of the Branch, Branch Code and IFS Code to the respective Deans of the concerned Faculty immediately from their own E-mail ID** for disbursement. The students are also advised not to give any attention to such false news and those who are spreading such rumours are cautioned not to do so for better cause.
