e-Tender Notification

Ref: BCKV-CRU/2223/ Ten 9

Date...19.12.22.

Officer in Charge, Crop Research Unit, and PI, ICAR-Incentivizing research funded project is inviting price-quotation from the competent and *bonafide* vendors/ dealers having registration of GST for the supply of the following to the University within **fifteen days** from the date of publication of this notice as per specifications appended below (Table 1). **Vendors are requested to quote for the cost of a single sample, and the quoted price must be included GST and be valid for 31st March 2023.** They are also requested to upload the technical specification and other requirements, as appended in Table 1, in a separate file for the technical comparison. A demand draft of Rs 2000.00 (Two thousand only) in favour of Comptroller, BCKV, must have to be produced as the EMD charges. Vendors must have to produce experience certificate/credentials in SNP genotyping in the form of at least five independent orders in last one year. The quoted price will not be considered for comparison until the servicing laboratory is CAP/NABL/DSR certified and comply the technical specification as appended in table 1. The payment will be processed only after completing the service desired in the issued order.

Table -1: Tender specification of BCKV-CRU/2223/ Ten 9 of 19.12.22

S.No	Name of the Item	No of Samples required.	Desired Specification	Quote Price (Rs.) with GST for a single sample
1	IK-RiCA v4.2 SNPs chip-based genotyping	192	Extraction of genomic DNA with assured quality in nanodrop followed by chip-based genotyping, grouping, linkage map and diversity analysis of 192 RILs and parents. Cost must include sample carrying cost in dry ice from the laboratory until quality extraction is assured.
