

**Achievement of College of Agriculture, Susunia, BCKV  
West Bengal State Student-Youth Science fair 2023-24 (District Level, Bankura)**

College of Agriculture-Susunia, participated in a program named **West Bengal State Student-Youth Science fair 2023-24 (District Level, Bankura)** on 22-23 January at Bankura Municipal High School, Pratap Bagan, Bankura. In this prestigious competition of West Bengal Govt., our students show their extracurricular activity alongside their heavy course load. They participated in the aforesaid program with a working model of **“Green Technology in Agriculture”**.

The competition was held in four different stages (school students from class V to X, School Students XII to XII, Colleges, and Non students Youths). For the college students category College of Agriculture-Susunia bagged the first position and also got a chance to participate in the state level competition.
